**SAFER STREETS FOR CHARLOTTE**

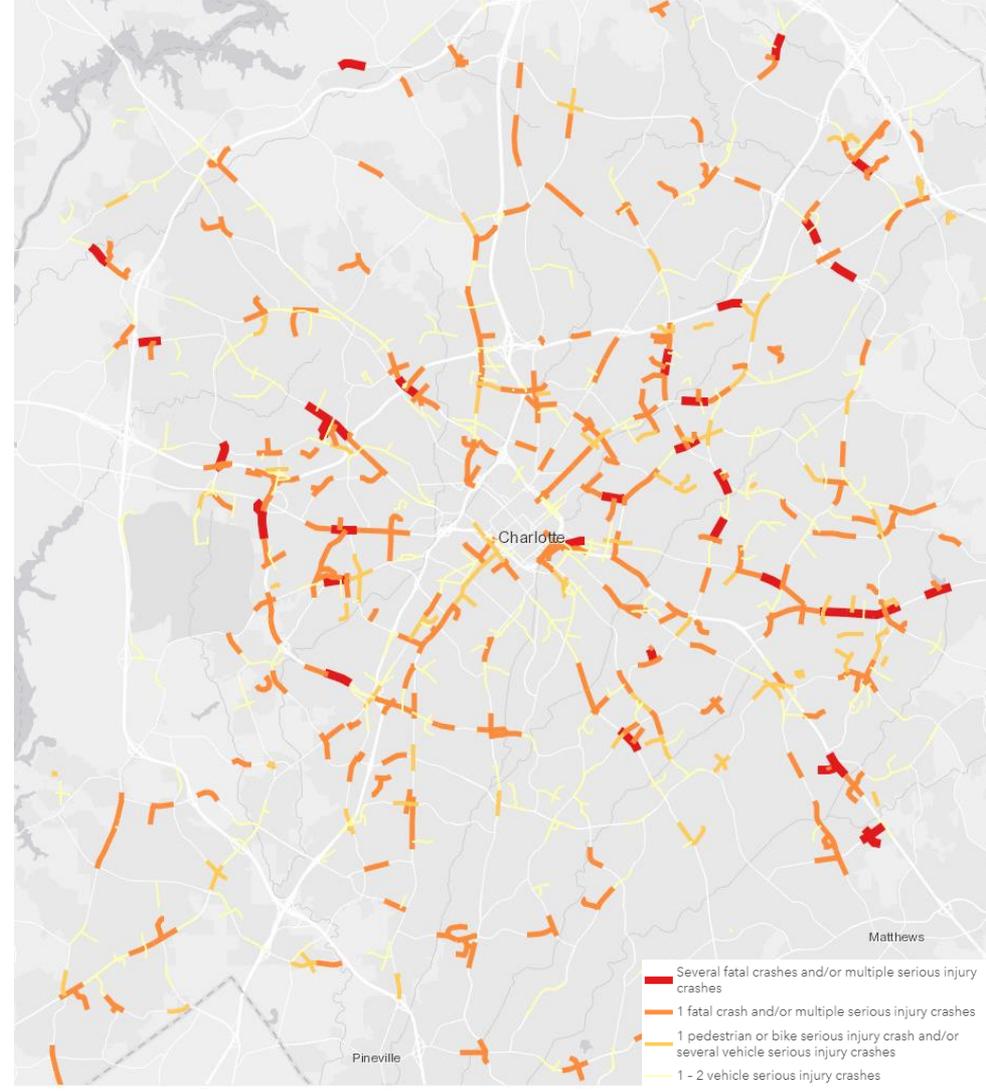

Task Force Meeting No. 5 | October 31, 2018

## **Top three most insightful things we have learned**

1. Analyzing crash data over the past five years
2. Reviewing public input from the interactive map
3. Talking with the public and stakeholders

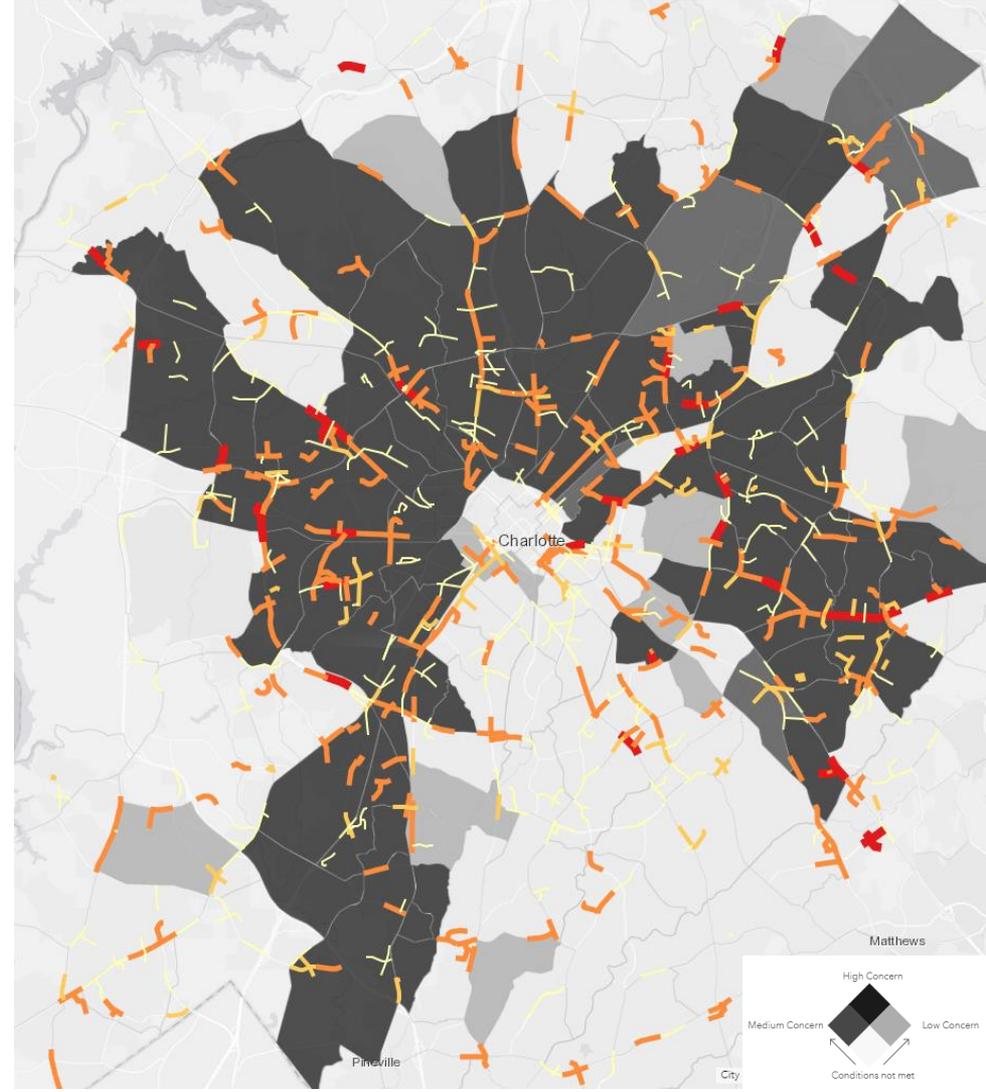

# High Injury Network

- ▶ 10% of all streets in Charlotte make up the HIN
  - ▶ 66% arterial streets
  - ▶ 25% local streets
  - ▶ 9% collectors

# Communities of Concern

- ▶ 65% of the HIN falls in a Community of Concern
  - ▶ 80% falling in the highest category of concern

# Contributing Circumstances (731 KSI 2013-2017)

## Speeding

**153 crashes** on Charlotte streets involved speeding

## Inattention

**63 crashes** involved drivers who were distracted while operating the vehicle

## Impairment

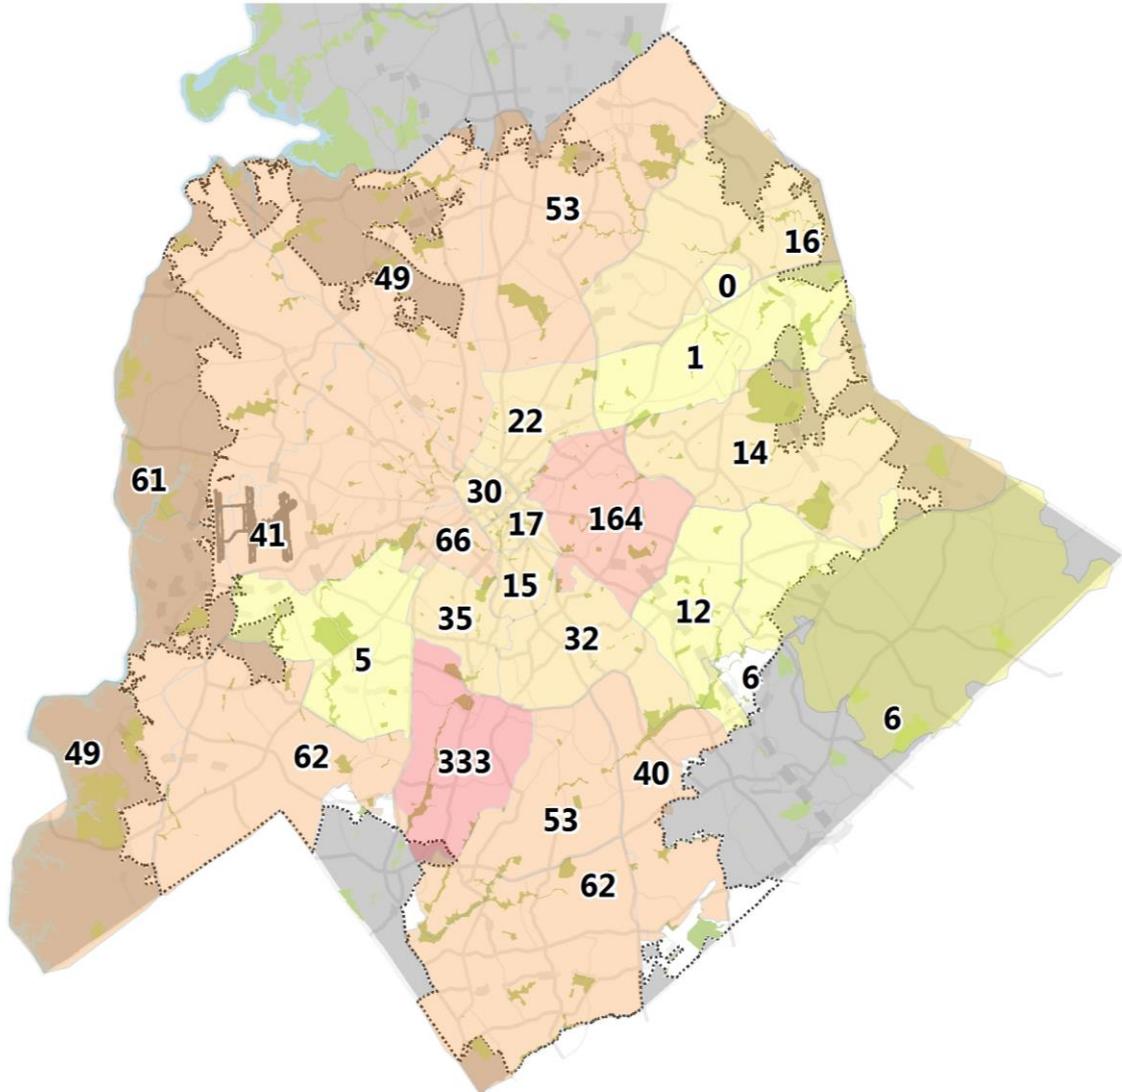

**45 crashes** involved drivers who were impaired while operating their vehicle

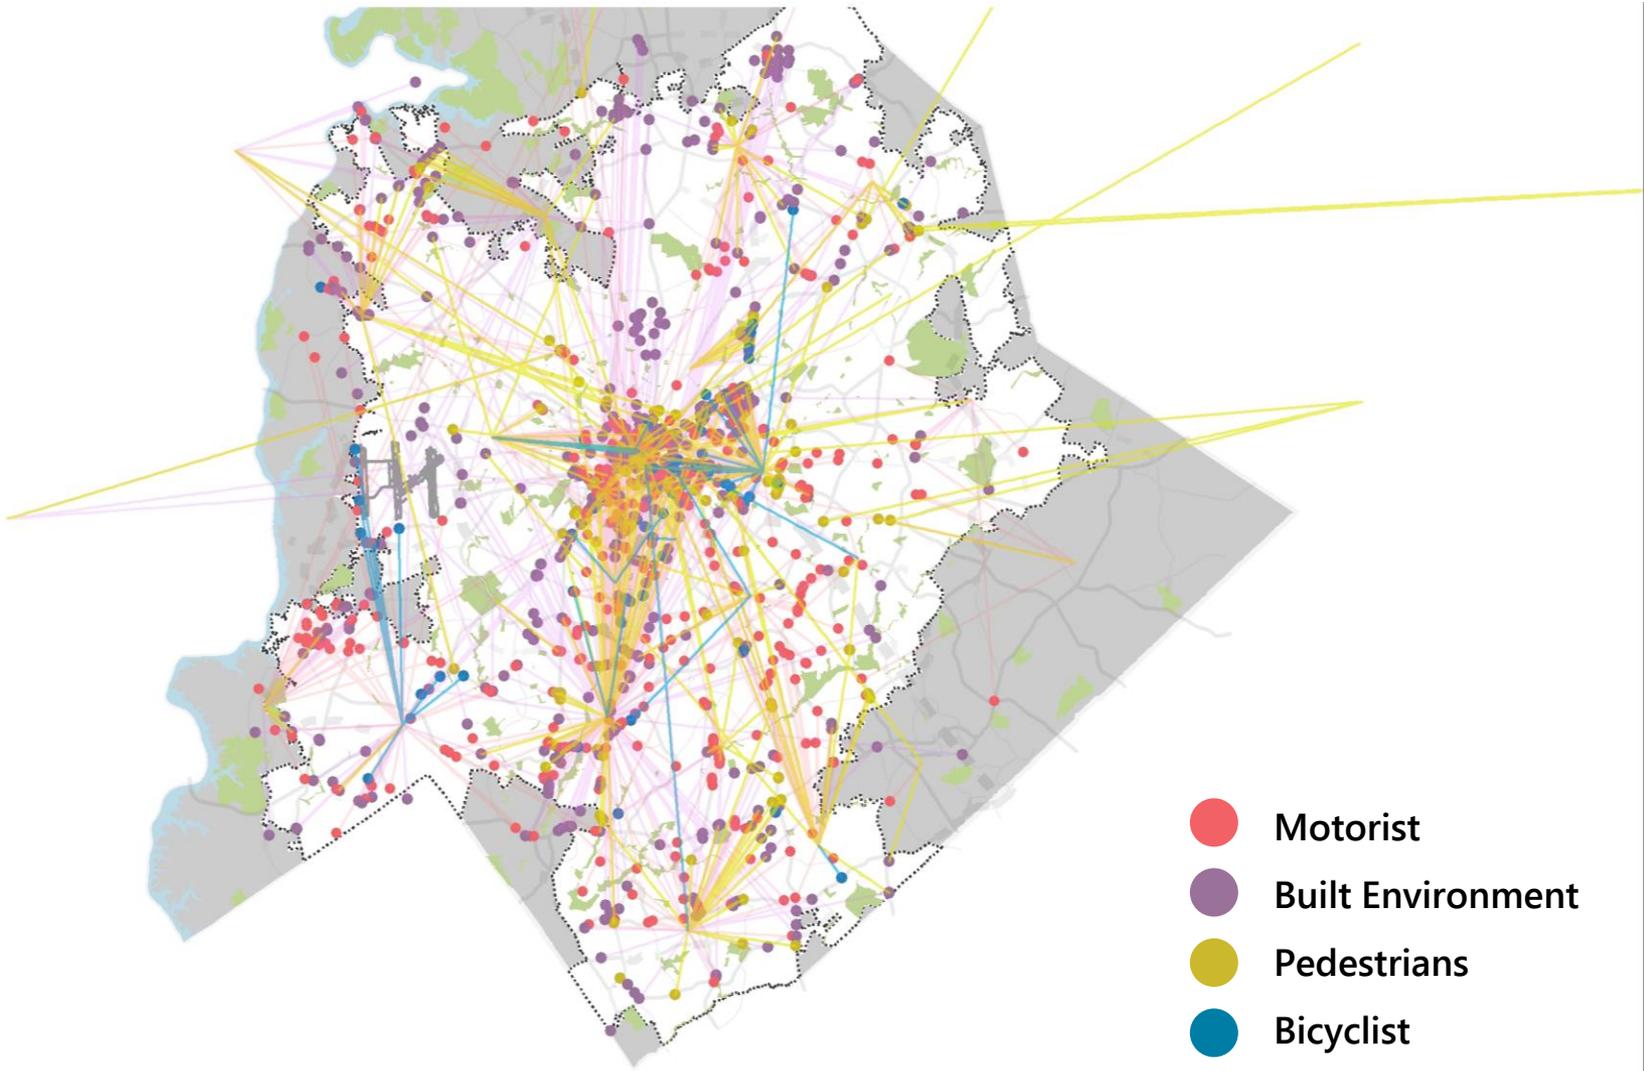

## Failed to yield

**71 crashes** involved drivers who failed to yield the ROW
